

Interior & Construction

Space Makers

Interior Solutions

Complete Interior & Construction Services

Design • Build • Transform

Since
2020

Residential • Commercial • Industrial

Who We Are

Our Beginning

Incorporated in 2020 as Space Makers Interior Solutions, we started as a small business providing interior services solely for **residential projects**.

4+

Years of Excellence

Our Growth

Over the years, we've gradually expanded our services to include **Commercial Interiors, Builder Works, and MEP Services**.

3

Service Sectors

Today

We offer a comprehensive range of services from general builder works and interiors to **Design & Build** — all available under one roof.

1

Stop Solution

What We Offer

Our Service Ecosystem
